

An aerial photograph of a large green sports field at Looe Community School. The field is divided into four distinct pitches, each marked with white lines for soccer. The pitches are arranged in a roughly rectangular pattern. In the top left, a residential street with houses and a road with a white van is visible. To the right, there are trees and a fence. The sky is clear and blue. The text labels for the pitches are: Pitch 6 (9v9) in the bottom left, Pitch 8 (11v11) in the center, Pitch 9 (11v11) in the center-right, and Pitch 7 (9v9) in the top right.
