

Looe Community School

An aerial photograph of a large green sports field at Looe Community School. The field is divided into five distinct football pitches, each marked with white lines. The pitches are arranged in a roughly circular pattern. In the top left, a residential street with houses and a road with a few cars is visible. To the left of the field, there are some smaller buildings and a fenced-in area. The overall scene is bright and clear, showing the texture of the grass and the layout of the pitches.
